

Что происходит с Динамо?

_VIEW_POSTED Спортред - _WedPMEETEEET0MarE

Сегодня киевляне проиграли одному из главных аутсайдеров чемпионата ужгородскому Закарпатья 1-0. При чем ужгородцы впервые не только победили Динамо, но и вообще отобрали у киевлян какие-либо очки. Вкупе с предыдущими результатами Динамо в весенней части чемпионата (две победы со счетом 1-0 и две ничьи 1-1) это обретает очертания серьезного кризиса. При этом игра Динамо выглядит безвольно и безидейно. Атакующая линия создает крайне мало моментов, а те что создает бездарным образом не реализует. Полузащита отсутствует как класс, а защита во главе с бразильцами допускает порой детские ошибки. Хотелось бы услышать мнения на счет такого состояния дел у одного из лидеров нашего чемпионата и пути выхода из пике.

Хандрит их не по детски, главная проблема в том, что сейчас они скажут: нет, никакого кризиса в игре нет (как помнится в 2006 году после МетаДона - даже был влет румынам в Лиге Чемпионов с позорным счетом).

Товарищ Суркис младшой, вы чет предпринимать будете?

Если смотреть в глубину, то причина заключается в несостоятельности Игоря Суркиса на посту президента Динамо. Это и есть главная причина всех бед, а то что Газзаев провалил подготовку к весенней части, то что он ставит футболистов не на свои позиции, то что не может сбалансировать состав - это всего лишь следствия...

Блаблабла от Суркиса:

"У любой команды возможен кризис. Просто главному тренеру с игроками нужно разобраться, в чем дело. Ну, пропусти-ли. Но где характер? Я не увидел агрессии, попыток спасти матч. Футболисты играли так, будто делают кому-то одолжение.

Газзаев разберется, и, уверен, очень быстро. Если надо, я ему помогу. Как? Есть методы, в том числе и финансовые. Мы не первый день в футболе

Согласен - как таковой игры нет. Но если спросите, закончилась ли борьба за Чемпионство, - нет, она будет до последнего тура. Только если команда на что-то претендует, она не может играть так, как с Закарпатьем.

Почему я должен после первого поражения в Чемпионате сомневаться в квалификации Газзаева? Он доказывал ее. И ЦСКА попадал в яму. А затем выиграл Кубок УЕФА. Не могу сомневаться - иначе я каждые полгода буду менять тренера"

Я и молодая команда как то играем.....

тупо продали матч, как когда-то Нефтянику в Киеве 0-1 сгорели.

Напомню, группа Приват контролирует Динамо, Закарпатье (ротацию игроков и тренеров все помните?) и Нефтяник (ахтырка) помимо Днепра.

Так что, товарищ Суркис, не лечите зрячих!

Ну как вам эта истерия последних туров? Меня, честное слово, достала. И конца и края этому не видно. Разве что Суркиса снимут-тогда успокоятся. Но на это у них сил сейчас не хватит:))
